### Dimensions in mm

**Description:**  
G9 LED Lamp

**Main material:**  
Engineering plastics+ Ceramics

**Specification**  
Energy saving, up to 85% energy saving  
comparing to standard halogen and incandescent  
lamps  
High quality light, high color rendering, less heat,  
no UV or IR radiation  
Build-in LED Driver  
IP20

**Applications**  
.Shoping mall  
.Hotels  
.Exhibition hall  
.Art hall  
.Museums

**1**

Turn off The Power

**2**

Drill two screw holes on the wall

**3**

Install the base and connect cables

**4**

Attach the light fixture to the bottom plate

**5**

Install G9 LED lamp

**6**

Install the top cover and complete the installation

**7**

Turn on the power
