

## Tel SockKet + Cat 6

Model:D1026

### Technical Specification

#### Electrical:

Tel SockKet

Connector Type:RJ11/RJ12\*2

Cable Type:CW1311, CW1293,CW1308,CW1316

Cat 6 SockKet

Connector Type:RJ45

Cable Type:Ethernet

Transfer Speed:1000Mbps

#### Physical:

Operating Temperature:-5°C~50°C

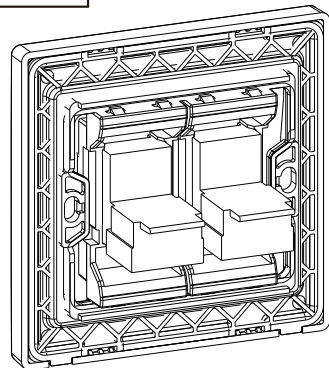

IP Rated:IP20

Max Installation Altitude:≤2000M

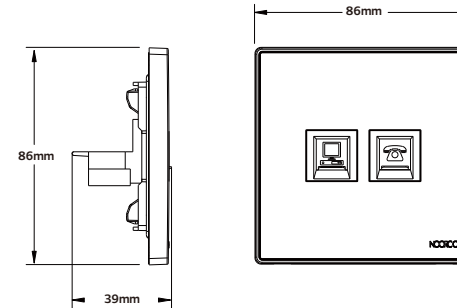

### Description

The combination of telephone sockets and computer network sockets is suitable for office spaces, educational environments, and households, providing convenient access to both telephone communication and wired internet connectivity.
